***HOW TO ANSWER THE QUESTIONS IN THESE COURSE PAPERS***

The questions asked in these course papers are not to test your intelligence or memory, but rather to inspire you to think about what you have learnt. For this reason, these papers are not graded - we ask you to send the answers back to us so that we can help you if it becomes clear from your answers that you have misunderstood the lesson. Secondly, we have not specified how long your answer should be - you are free to make it as short or as long as you like. If you have another point of view you are also free to express that in your answer as long as you give reasons for it.

Write the answers to the questions for each paper on a separate sheet or sheets then attach the question sheet to your answers. Don't forget to write your name and contact address and the date on the question sheet. Your contact address can be a postal address or an e-mail address. An e-mail address is preferred, as it is faster and cheaper to use e-mail than the postal system. If you choose to answer the questions by e-mail that is even better - just make sure that you state the Course (Christian Theology), Paper number (e.g. 007B), or Paper title (e.g. Who is Jesus Christ - His Name and Titles), in your e-mail.

Answer papers may be posted to the following address:
