Christian Leader Reference (2 required)

Dear Christian leader

At Fowey Lodge we offer three month courses in Bible study. References from Christian leaders, who know the applicant well, are an important part of our application process. I should be grateful if you would write below and let me know about this applicant's spiritual maturity and whether there is evidence of a real desire to study the Bible and get to know Christ better and to serve Him.

I would really appreciate you being very frank with me so that we can establish what is best for each individual. We do emphasize that a considerable level of maturity is necessary to be able to cope with intensive study. Our course is designed for those who are strongly motivated to study and to apply what they learn in their own lives. We therefore do expect students to be able to study hard and apply what they learn to their lives with our care and guidance, but without intensive supervision.

I should be most grateful for your help. Every blessing in your Christian life and service.

Tony Hanne (Director)
